## EXPERIENCE

---

### Freelance Motion Designer

2021-Present

As a freelancer, I worked with multiple companies in a wide range of fields, mainly **motion design and video editing**. Some of my clients from the past years are **Taboola, Uplifted, Panda, Lightricks, AlefAlefAlef, Max, Bat Sheva Dance Company, Photoboost app, Charm app** and more.

### Lecturer & Teacher

2020-Present

I teach visual communication and design at the **Holon Institute of Technology**. As part of my job I teach design programs like After Effects, Photoshop, and Illustrator, and also teach the The Visual Communication Preparatory Program.

### Motion Designer & Video Editor

Lightricks | 2020-2022

Lightricks develops video and image editing mobile apps, such as Facetune, Photoleap and Videoleap. As part of the marketing department, I was responsible for **editing and designing advertisements, animated intros & endings and doing motion design** for all company products.

---
